Please act on this if you can, and spread the word. Petition due Wednesday. This petition from university faculty is directed to the Board of Regents of the University System of Georgia. The Chancellor of the University System, Hank Huckaby, has recommended the current state Attorney General, Sam Olens, for the presidency of Kennesaw State University without having had a search for the position. We ask university faculty and other interested parties from across the United States to sign this petition in defense of shared governance at Kennesaw State, and in the wider University System of Georgia.
